## OMNIS Roadshow '07 Brisbane, Perth, Melbourne, Sydney & Auckland

The DLA Group is pleased to announce a series of OMNIS 'Roadshows' around Australia and New Zealand. Our OMNIS Roadshow '07 will be a fantastic opportunity to update the OMNIS community on new technology and initiatives.

David Lewis and Vik Shah will present in:

Brisbane: Monday 30<sup>th</sup> April, Hilton Hotel, 2pm - 5pm  
Perth: Wednesday 2<sup>nd</sup> May, Hilton Hotel, 9.30am - 12.30pm  
Melbourne: Thursday 3<sup>rd</sup> May, Marriott Hotel, 9.30am - 12.30pm  
Sydney: Monday 7<sup>th</sup> May; Intercontinental Hotel, 9.30am - 12.30pm; and  
Auckland: Friday 11<sup>th</sup> May, Sky City Grande Hotel, 9.30am - 12.30pm

Vik Shah, Technical & Support Manager at DLA, will present sessions on:

Service Oriented Architecture with Remote Studio (rStudio);  
Service Oriented Architecture with OMNIS Web Services (OWS);  
Data Integrity and Safety; and  
New features in OMNIS Studio v4.3 and v5.

OMNIS Studio v4.3 is due for release in April with an improved look and feel of the LINUX version, and RDC has invited customer input for the next generation of OMNIS Studio - v5.0.

**All sessions are FREE, however bookings are essential as seats are limited.**

The OMNIS Roadshow '07 will allow developers from all over Australia & NZ to get a better look at some of OMNIS Studio's unchartered features. There will also be plenty of time at the end for questions.

We look forward to seeing you all there!
